

CARAVAN

BY HABITAS

OUR HOME

Caravan by Habitas is a one-of-a-kind glamping experience set amongst the majestic sandstone cliffs in AlUla, Saudi Arabia, designed to set free the inner child in all of us. It is Habitas's artful interpretation of adult sleep-away camp, featuring airstreams, communal gathering spaces and playfully-designed food trucks. Inspired by Burning Man, the experience is rooted in the concepts of play, imagination and connection, and borrows from local Bedouin traditions around communal living.

PROPERTY AMENITIES

- Tama Restaurant
- AC & WiFi
- Thuraya Wellness
- Communal Bathrooms
- Private Outdoor Deck
- Food Trucks

ACCOMMODATIONS

EVERYTHING WE DO IS BASED
ON CONNECTION & SUSTAINABILITY

Taking cues from traditional Saudi home design, the interiors are ornamented with colorful antiques and heritage crafts from Saudi Arabia. Guests are greeted with a hand-cleansing ritual, followed by a coffee and tea offering.

OUR AIRSTREAMS

Overlooking a lush palm tree oasis or dramatic canyons, each of the 22 Airstreams is equipped with a private outdoor deck with seating areas.

Our Oasis Caravans overlook the date palm groves are equipped with a private outdoor deck and lounge areas equipped with locally sourced, Earth-inspired interiors.

Our Valley Caravans have views of the canyons, with a private outdoor deck and lounge areas immersed in scenic surroundings.

DETAILS

- 8 Oasis Caravans
(2 Queen & 6 Twin)
- 14 Valley Caravans
(3 Queen & 11 Twin)

THE EXPERIENCE

At the core of our Habitas experience are our six pillars of programming:
MUSIC, WELLNESS, FOOD & BEVERAGE, ADVENTURE, ART AND LEARNING.

WELLNESS

Wellness is woven into the fabric of everything we do: the way we eat, sleep, exercise, dance, travel, connect, share and live. Our experience takes a holistic approach to lifestyle wellness that touches on the mind, body, spirit and, of course, human connection.

COMMUNITY

Our unique programming is designed to bring guests together, turning strangers into friends and friends into family. We encourage true human connection and believe authentic self-expression is best achieved in safe spaces surrounded by nature.

COEXIST WITH NATURE

By combining nature with grounding experiences, our Home offers an opportunity to forge a deeper connection with the planet and ourselves. Habitas rituals, from our Welcome Ceremony to our weekly Family Dinners, invite us into the present moment. At our Home in AlUla, traditional tea ceremonies are the backbone of hospitality in the desert. Our wellness therapies use local ingredients like moringa seeds, honoring local Arabian traditions.

CONSERVATION

With the discovery of rare and beautiful places comes great responsibility. Our purpose is to protect our one true home, the Earth, through the creation of immersive spaces that deepen our awareness of the natural world. We seek to educate and inspire while holding transparency in high regard.

FREE OF SINGLE-USE PLASTIC

We are committed to eliminating single-use plastic throughout all of our Homes and have been awarded the Oceanic Champion Badge for adopting Oceanic Global's highest standards.

WASTE MANAGEMENT

Waste classification is the most important step toward better waste management. We work with local organizations to manage excess waste from our daily operations by recycling and composting.

SUSTAINABILITY

- Sustainable Agriculture
- Sewage and Waste Treatment
- Habitas Eco Sunscreen

HABITAS RISE

Habitas RISE is our global impact initiative focused on empowering local communities, cultures and conservation efforts. We create economic and educational opportunities for the local people living in the places we call Home, building micro-economies, creating jobs and working closely with these communities to address social and environmental issues.

LOCAL RECRUITMENT

We work closely with local organizations in AlUla to provide educational opportunities for the community as well as create micro-economies by sourcing from local farmers and artisans.

SUSTAINABILITY

We identify and support conservation initiatives that actively work to combat climate change and human development. Through collaborations with community leaders, we seek to preserve and regenerate our planet for us and generations to come.

FOOD & BEVERAGE

The dining amenities feature three playfully decorated food trucks, including a pink holographic ice cream truck, a mirrored pizza truck with vintage signs, and a locally-inspired coffee & juice truck.

Alongside the food trucks is a dining area with a combination of family-style communal tables and cushioned seating.

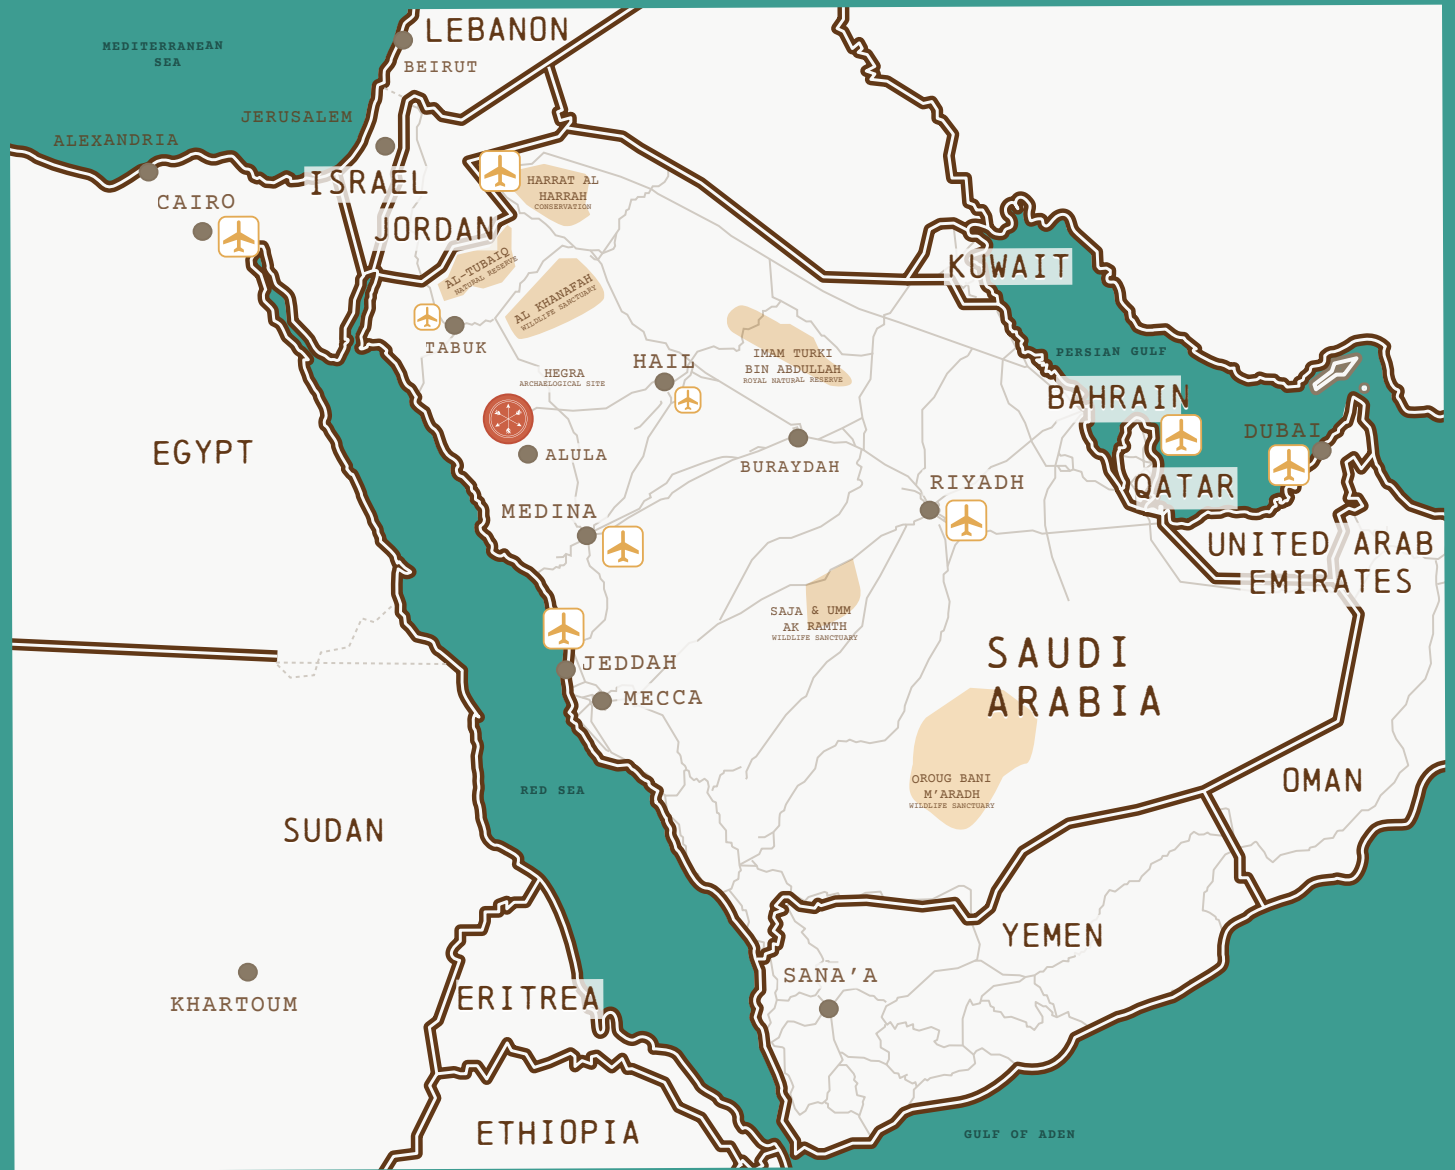

DINING EXPERIENCES

At all of our Homes, we create unique dining experiences as a way to bring people together over a shared meal. Our signature experience is our weekly Family Dinner, which encourages all our guests to engage in conversation and connection.

At our Home in AlUla, our kitchen offers a rustic yet refined cuisine, created with techniques that honor local Arabian traditions and the surrounding environment.

OUR LOCATION

AlUla is a 10-hour drive from Riyadh, a 7-hour drive from Jeddah, 3 hours 20 minutes from Medina and about a 3-hour drive from Tabuk Airport. The destination is also only a 2.5-hour drive from the Red Sea, which visitors can add to their itinerary.
