AVIAREPS Middle East Travel Caravan 2022 Sees Leading Tourism Brands Gather to Target UAE & Saudi Travellers

AVIAREPS successfully relaunched its in-person AVIAREPS Middle East Travel Caravan after a 2-year hiatus following the Covid pandemic. Over 110 key travel industry professionals, media and travel influencers attended the Dubai leg of the event which was held on October 11th, 2022 at the Shangri-la Dubai Hotel. The travel roadshow saw key international travel brands and destinations gather under the one roof to meet with the UAE's and Saudi Arabia's key outbound travel agencies and meeting and conferencing professionals, to meet one to one to develop new travel packages, itineraries and events tailored for UAE and Saudi Arabia-based travellers.

A total of 27 key international partners joined the 2022 edition of the AVIAREPS Caravan including Qatar Tourism Board, The Investment and Development Agency of Latvia, Malta Tourism Authority, The Royal Commission for AlUla, Visit California, Mauritius Tourism Promotion Authority and a host of international hospitality brands, airlines and destination management companies. In addition to meeting leading travel agencies, partners also had the opportunity to meet with popular travel influencers from the region, as well as join an intimate panel discussion industry thought leaders, that included representatives from Emirates Holidays, ITL World and Al Rostamani Travel, where they were updated on the latest travel trends and consumer travel requirements from the region.

Glenn Johnston, Vice President Middle East & Global Public Affairs, AVIAREPS commented: "As we head towards a post pandemic world outbound international travel from the Gulf Countries continues to demonstrate a remarkably strong and quick return compared to all other major travel regions around the globe. Within this context it is extremely important and timely to hold such an event. By bringing the UAE and Saudi Arabia's travel professionals directly in contact with such an exciting and eclectic mix of travel providers and destinations, I'm confident we will all see jointly crafted, attractive travel experiences and offerings to follow, that will no doubt create new travel trends for the coming months and 2023."

Not only do travellers from the Gulf countries tend to travel more often than others, but they also tend to stay longer and have one of the world's highest average-daily-spends while travelling. The luxury travel segment is particularly strong, as too is MICE travel, providing a multitude of opportunities for entities seeking to diversify their client mix.

Johnston added; "This year's edition of the AVIAREPS Middle East Travel Caravan comes on the heals of Dubai EXPO 2020, which successfully concluded earlier this year. Many of this year's caravan participants have decided to use this platform to continue the positive and productive momentum created during EXPO, and use it further strengthen their presence in the Middle East market. Personal networks and ongoing connections remain an essential ingredient for business success within our region. A key focus for us is to ensure that through our well-established industry networks both co-participants and our carefully selected Middle Eastern outbound partners see a return on their investment and a growth in their business. That is our commitment to these events."

حضر أكثر من 110 من اللاعبين الرئيسيين والمتخصصين في مجال صناعة السفر والإعلام والمؤثرين في قطاع السفر في دبي -المرحلة الأولى من الحدث المتخصص والذي أقيم يوم 11 أكتوبر 2022 في فندق شانغريلا دبي. ومن المتوقع حضور نفس العدد من الزوار لحدث الرياض يوم 12 أكتوبر 2022.

وتشهد الحملة الترويجية للسفر؛ قافلة كارافان أفياريبس الشرق الأوسط للسفر 2022 تجمع العلامات التجارية والوجهات الدولية الرئيسية تحت سقف واحد للالتقاء بوكالات السفر الرئيسية في الإمارات العربية المعربية السعودية ومنظمي المؤتمرات المحترفين. ويتيح الحدث اللقاء الشخصي والمباشر لتطوير باقات سفر جديدة ومسارات رحلات وفعاليات مصممة خصيصاً لدولة الإمارات والمسافرين المقيمين في المملكة العربية السعودية.

وانضم 27 شريكًا دوليًا رئيسيًا إلى نسخة هذا العام 2022 من الحدث المتخصص بصناعة السفر والسياحة بما في ذلك قطر للسياحة ووكالة الاستثمار والتنمية في لاتفيا وهيئة السياحة المالطية والهيئة الملكية لمحافظة العلا ومكتب كاليفورنيا للترويج السياحي وهيئة موريشيوس للترويج السياحي ومجموعة من الشركات الدولية الأخرى والعلامات التجارية وعلامات الضيافة وشركات الطيران وشركات إدارة الوجهات السياحية.

وبالإضافة للقاء وكالات السفر الرائدة، أتيحت الفرصة للشركاء للقاء مؤثرين معروفين في مجال السفر من الإمارات والمنطقة، والانضمام إلى حلقة نقاش تفاعلية لقادة الفكر في قطاع صناعة السفر ضمت ممثلين عن الإمارات للعطلات، وأي تي إل العالمية، والرستماني للسفر والعطلات؛ حيث قدم المشاركون آراءهم حول أحدث اتجاهات السفر ومتطلبات سفر المستهلكين في المنطقة.

وعلق غلين جونستون، نائب الرئيس لمنطقة الشرق الأوسط والشؤون العامة العالمية: "بينما نتجه نحو عالم ما بعد الجائحة، يستمر السفر الدولي للخارج من دول الخليج في إظهار عائد قوي وسريع بشكل ملحوظ مقارنة بجميع مناطق السفر الرئيسية الأخرى حول العالم. وضمن هذا السياق يكون من المهم للغاية عقد مثل هذا الحدث في الوقت المناسب لتوفير اتصال مباشر بين محترفي السفر في الإمارات العربية المتحدة والمملكة العربية السعودية مع مثل هذه الكوكبة المثيرة والمنتقاة من مقدمي خدمات السفر والسياحة ومديري الوجهات السياحية. أنا واثق من أننا سنرى تجارب وعروض سفر جذابة ومصممة بشكل مشترك ستخلق بلا شك اتجاهات جديدة في عالم السفر خلال الأشهر المقبلة والعام القادم 2023".

لا يميل المسافرون من دول الخليج للسفر أكثر من غيرهم فحسب، بل ويقضون بالمجمل فترات أطول أثناء تواجدهم. كما أن لدى المسافر من الخليج العربي واحداً من أعلى متوسطات الإنفاق اليومي حول العالم. ويعتبر قطاع السفر الفاخر قوياً بشكل خاص من هذه المنطقة، وكذلك السفر بقصد التجارة والأعمال، مما يوفر العديد من الفرص للشركات التي تسعى إلى تنويع مزيج عملائها.

وأضاف جونستون: "تأتي نسخة هذا العام من قافلة كارافان أفياريبس الشرق الأوسط للسفر 2022 في ظل تنظيم دبي لمعرض دبي إكسبو 2020 والذي اختتم بنجاح في وقت سابق من هذا العام. لقد قرر العديد من المشاركين في قافلة هذا العام استخدام هذه المنصة لمواصلة الزخم الإيجابي والإنتاجي الذي تم إنشاؤه خلال معرض إكسبو، واستخدام هذا الزخم لتعزيز تواجدهم في سوق الشرق الأوسط. بلا شك تظل الشبكات الشخصية والاتصالات المستمرة مكونًا أساسيًا لنجاح الأعمال داخل منطقتنا. أما التركيز الرئيسي بالنسبة لنا فهو التأكد من أنه وعبر شبكاتنا الراسخة في قطاع صناعة السفر في المنطقة والعالم، يرى كل من المشاركين وشركائنا الخارجيين المختارين بعناية في الشرق الأوسط عائدًا على استثماراتهم ونمؤا في أعمالهم. هذا هو التزامنا تجاه هذا النوع من الأحداث."
